

XACT! Basic design revision/refresher course

BS EN 12845 - LPS 1048: Commercial Sprinklers

3 day course + 1 day exam - Manchester Airport

Target audience

Sprinkler designers

Aim

To enable delegates to pass the LPC 1048 Basic Design exam

Course content

This course has been designed to prepare sprinkler designers to pass the LPCB's Basic Design Competency Review exam

Content is based on LPC Rules Incorporating BS EN 12845 and Technical Bulletins

A review of the LPCB's examination syllabi will take place with delegates to assess which topics require more detailed revision

LPCB Exam

To qualify to take the examination, delegates must be employed by an organisation who is LPS 1048 approved (or has applied to be approved). For further details call BRE/LPCB: 01923 665133

There is a weekend break between the course and examination to enable delegates to consolidate learning

The exam will be administered by LPCB at Manchester Airport

Cost includes

- Course manual and exercises
- Lunch and refreshments during the day
- Examination fees
- Car park fees
- CPD Certificate

Dates

Basic design course	7-9 October
Basic design exam	12 October
Closing date for course booking	21 September 2009

Costs

3 day course + exam*	£645
Exam fee (LPCB)**	£350
Total cost	£995

*Course cost include refreshments, lunch + car parking on examination day

**Cost for entering examination, payable to LPCB

Bed and breakfast can be arranged if required at £69 per night

All prices are exclusive of VAT which will be added at the current rate
